Thank you for fundraising for Tearfund

Thanks to the incredible generosity of fundraisers like you, more people will be equipped to lift themselves out of poverty for good.

We hope you find this pack useful and full of handy tips to help make your *Big Quiz Night* the best it can be.

Team Tearfund are on hand to support you along the way, so please feel free to get in touch if you still have questions.

Churches that thrive, not just survive

Around the world, conflict is rife, climate change is displacing millions of people and one in ten people are still living in extreme poverty. This is not God's plan.

For more than 50 years, Tearfund has seen how local churches can bring effective and lasting transformation to whole communities. That's why we work through local churches to help communities lift themselves out of extreme poverty.

Transforming Communities one quiz at a time: How you can make a difference

The money your quiz raises will support our Transforming Communities programme, helping local churches around the world lead their communities out of extreme poverty and into a sustainable future. This is about local people creating lasting change for themselves.

We have a vision to see hundreds of thousands of thriving churches transforming communities around the world – but we need your help. By taking part in the *Big Quiz Night*, you can be one of the 500 churches we want to see signing up to help bring an end to extreme poverty.

JustGiving

The easiest way to fundraise, and which helps Tearfund keep our admin costs as low as possible, is by **setting up a JustGiving page**. This is an online page where people can easily donate to your quiz night.

Every pound raised from the *Big Quiz Night* will come straight to Tearfund through JustGiving – there's no extra admin involved! You can set up your JustGiving page by heading to justgiving.com/campaign/bigquiz2025.

Once on the page, head to the right-hand side and select the button labelled 'Start fundraising'. Fill out the short form, and it will then ask you to log in to your account if you are not already logged in (if you do not have a JustGiving account already you will need to set up an account before you can set up a page). On the next page, simply fill in all the criteria and then click the 'Create your page' button.

Top tip: *If you ask for a voluntary entry donation, this is eligible for Gift Aid. However, if you have a set ticket price, this will not be eligible for Gift Aid.*

To **edit your JustGiving page**, there is a button at the top which says 'Edit my page'. If you click on this you will be able to edit your picture and story. We encourage you to write an extract about who you are and why you are taking part in the *Big Quiz Night* this year. Remember, you will need to be logged in to your JustGiving account in order to access this.

Set up your JustGiving QR code

A QR code is a small black and white barcode. When anyone scans it with the camera on their phone, it will direct them straight to your JustGiving page – making it even easier for your quizzers to donate.

To create your QR code:

1. **Log in to your JustGiving account** and go to your page.
2. Click '**Edit your page**' in the top-left corner of your screen.
3. Click on the '**Share**' tab on the left of your screen.
4. Select the **QR symbol** (the last symbol on the right, next to the envelope email symbol).

Top tip: Make sure to share your QR code as well as the link to your JustGiving page on all of your promotional material and throughout your *Big Quiz Night*. If you need help with this, just get in touch!

Additional fundraising on the night

Here are some fundraising ideas, tried and tested by previous *Big Quiz Night* hosts, to help you raise even more money on the night.

Put on a movie

Before half-time, show our inspiring fundraising film and then ask people to donate generously (through your JustGiving page). This will help your guests understand why their support is vital and how their donations will help transform the lives of people trapped in poverty.

Phone a friend

If there's a question that's really tricky, the quizzers can phone a friend for help. But here's the catch: to do so they will have to make a donation!

The joker card

Quizzers can play this card to double their points on a round of their choice – but they'll have to donate to use it.

Sold!

How about holding a promise auction during the break? Have your quizzers bid for something that someone has offered to do. For example, people could promise to drop off a cooked meal, do a food shop, perform a short play etc.

On your marks, get set, bake!

Cake never fails. If you're meeting in person, why not hold a bake sale? Have some yummy treats to sell before and after the quiz, or even hold your very own bake-off.

Fun for everyone

During half-time, or while the scores are being counted, add in some entertainment. How about a poetry reading? A dance-off? Or go old-school and play pass the parcel? Encourage people to donate if they would like to get involved. *Big Quiz Night* guests are usually a mix of ages – from 12 to 112 – so this is a great way to get everyone in on the action.
